

## Methodist Thrift Shop Scholarship Application

The MTS Board has established a Scholarship Fund for the purpose of helping to further the education of seniors graduating from La Plata County high schools. We are a faith-based organization that encourages participation of all faiths. What makes our scholarship unique is the qualification of an applicant being involved with your faith of choice. Value of the award is up to \$1000.00.

Applicants do not have to be Methodist, but the first qualification for eligibility is that you are actively involved with your faith.

*We are looking for students who believe it is important to have a faith-based life and have kept their involvement through their high school years. We want to know who you are, how you are involved with that faith, and how that has helped you in life.*

Applicants will be selected based on the following: faith involvement, leadership, community service, extra-curricular activities, and personal attributes. This is a non-renewable, one-time scholarship.

Please note: A letter of recommendation from a faith leader is *required* to help the selection committee better learn about how applicants are involved with their faith.
